All Valenz Mercy and Cox Plans include NavCare Network Concierge Service. This service acts as a patient advocate. In cases where specific care is needed for hard to treat illnesses you can call NavCare and they can set up case specific pricing and benefits. Hospitals we have set care up for in the past are Mayo Clinic, Md Anderson, Washington University, Oklahoma Surgical, and more. If NavCare is able to get a case agreement with one of these hospitals, you will get in-network benefits. The NavCare number will be on the back of your Insurance Card.
